

RRS.

Lyndsay gave class a survey to complete.

Are you happy to come to school.

Yes, Sometimes, Not sure, no

A lot said sometimes.

I asked if there was anything anyone would like to talk about.

They wanted to talk about playtime and lunchtime.

Not feeling safe

Sharing tennis with older other classes, not feeling safe as 2 particular pupils were deciding 'the who and the when and the what'. Name calling etc.

It was suggested a rota was made for separate classes and a maximum number of pupils playing at one time while removing the spare racquets.

Pupils chose dog topic for IDL.

They then asked if they could bring in their dogs too.
