Equality and Equity

Rights Respecting Schools Assembly

Equality and Equity

What is equality?

Equality means that everyone has the same chances or gets the same treatment. Everyone is treated **equally**.

That's fair... isn't it?

What is equity?

Equity means that everyone has the same chances - just like equality - but equity also means considering different people's situations so that they really are treated fairly.

Now that **is** fair!

We all know about our rights

We ensure we're all included
It's important to make sure
We're all safe learning in school**
