

iPad Promise

I know that my iPad will be used to help with my schoolwork at home and in school.

I promise to look after my iPad both in school and at home.

I promise to charge my iPad to be ready to use in school **each day**.

I promise to use my iPad appropriately.

I promise to use the iPad as my teacher has directed me and not to access other apps.

I promise to only use the camera on my iPad when I have been given permission to do so.

I promise to only use my iPad to take photographs or videos which can be shared in school.

I understand that if I do not keep my promises, my iPad must remain in school.
