TO WHO IT MAY CONCERN,

My name is Kacper Kolackovsky and I am a pupil at St Joseph's Primary school Bonnybridge. I am writing to you as I am most concerned with the litter and persistent dog fouling in the area.

I hope you are aware that dog fouling is dangerous because owners don't pick up after their dogs. Children walk to school independently on a safe access path and see dog poo as they walk. Children have the right to play and walk in a safe, dog poo and litter free environment however that right is taken away from them. We strongly believe that you should do something about littering and dog fouling because people do have the right to be in a safe environment and it can't be taken away.

I would be most grateful if you would reply back with ideas as how the council plan to support the children in Bonnybridge and ensure that our right to play in a safe environment is upheld.

Yours Faithfully

Kacper Kolackovsky

House Captain of St Joseph's Primary School.
